Treat yourself, your staff, friends and business prospects to an evening of entertainment in this unique setting. Enjoy a private cocktail buffet held right on the show floor. A bounty of seasonal buffet fare, an open bar and live music set the tone for this lovely evening. Guests may walk the Craft Show at their leisure.

The Philadelphia Museum of Art Craft Show is recognized as the nation's most prestigious, juried exhibition of contemporary American craft. This year's Show will feature 195 of the finest artists in the United States and 26 Guest Artists from Germany.
