Philadelphia Museum of Art: Gift of The Women's
Committee of the Philadelphia Museum of Art

Welcome,

The 45th Annual Philadelphia Museum of Art Contemporary Craft Show is back! We are delighted to be in-person once again. This year we host our Show at the Convention Center while continuing our online presence. These two avenues allow us to showcase our juried artists to a national audience and is a testament to the resilience and loyalty of our artists, committee, staff and patrons.

The Craft Show Committee continues to produce the largest annual fund-raising event for the Philadelphia Museum of Art. To date, the Show has raised more than \$13.6 million for the Museum. These funds provide financial support for educational programs, special exhibitions, equipment, the acquisition of art and craft for the permanent collection, and various programs and projects.

Our deepest gratitude is extended to our show sponsors for their remarkable generosity: Goldman Sachs, Truist, UBS, the Maguire Foundation, Jonathan Bassman, The McCausland Foundation, and Mill Creek.

This year we showcase the finest artists from across the country. The Show will continue beyond the confines of the official show dates, through May 2022.

Our deepest appreciation goes to the Craft Show Committee; a group of one hundred dedicated women who annually spend many volunteer hours to plan and produce the Show. Thanks also to the Women's Committee and the Museum staff for their efforts on behalf of the Show. We are exceedingly grateful to our Patrons for your generous support of the Preview Party. Your loyalty ensures the success of the Show.

Finally, special recognition is extended to our show manager, Nancy O'Meara. Over the past 30 years, she has helped develop this event into the country's most notable Show. We are grateful for the ease with which she skillfully employs her notable expertise and talents during this transitional time.

Enjoy the 2021 Philadelphia Museum of Art Contemporary Craft Show.

Jessica Armstrong, Chicago, IL, Metalsmith and Owner, Buyer/Curator, Pistachios Gallery

As owner, she is also the buyer along with curating in-store and online exhibitions. As a metalsmith, she has exhibited her work nationally and internationally along with winning various scholarships, grants and rewards.

Syd Carpenter, Swarthmore, PA, Artist, Professor of Art, Swarthmore College

A professor of ceramics and drawing, Syd's ceramic work includes sculptural as well as functional forms that are inspired by the garden she has tended for over 20 years. Her work is included in the permanent collections of the Metropolitan Museum of Art, the Renwick Gallery of the Smithsonian Institute, Philadelphia Museum of Art, and many public and private collections. On the cover is an image of her work, part of the Museum's collection of contemporary American crafts.

Brad Ford, New York, NY, Brad Ford ID, Inc.

Brad is a New York-based interior designer who in 2014, created the event Field + Supply in the Hudson Valley. Field + Supply is a modern interpretation of a traditional arts and crafts fair. In 2015, Ford opened the showroom FAIR, at the New York Design Center, which represents makers and manufacturers from around the world and is a destination for designers looking for beautiful design and craftsmanship.

Anne Gross, Aspen CO, Director - Fine Art & Glass, Raven Gallery

Anne's education is in business and management, but art and craft has always been her guiding light and environment of preference. In her career she has held various positions in the arts, working with artists and galleries, particularly in the field of jewelry. Her career over time led her to the glass art world, finding the Aspen location, Raven Gallery.
