

Gifts TO THE MUSEUM

When you purchase a ticket to the Philadelphia Museum of Art Craft Show or become a sponsor of the Show, you are directly supporting the work of the Philadelphia Art Museum. Thanks to your support, the Craft Show has contributed more than \$15 million over a 48-year period.

The impact of the 2024 Show proceeds can be seen throughout the museum with funds supporting a variety of programs and projects. In the last year, grants for projects were awarded to the departments of American Art, Costume & Textiles, and Asian Art. Programs funded include Art Kids which uses the collection as a catalyst for creative play while building connections with families and young audiences.

Also provided was support for the successful special exhibition, **Boom: Art and Design in the 1940's**, held April 12-September 1, 2025.

Philadelphia Museum of Art: Gift of Larry and Mickey Magid, 2018

Dear Friends.

The Craft Show Committee continues to produce the largest annual fundraising event for the Philadelphia Museum of Art. To date, the Show has raised more than \$15 million for the Museum. These funds provide financial support for educational programs, special exhibitions, equipment, the acquisition of art and craft for the permanent collection, and numerous other programs and projects.

Thank you to our show sponsors for their remarkable generosity: Comcast NBCUniversal, 19/19 Investment Counsel, Maguire Foundation, Goldman Sachs, Catherine S. Korman Family Fund, Mill Creek, Parkway Corporation, Morgan Stanley Wealth Management, Cozen O'Connor, Corient, Frank-Brooks-Florio Wealth Management, Isdaner & Company, RBC Wealth Management, Jeff City Block, Ballard Spahr LLP, Osage Partners, and The McCausland Foundation.

Join us in welcoming 195 of the finest and most dynamic artists from across the country.

Our deepest appreciation goes to the Craft Show Committee; a group of one hundred dedicated women who spend thousands of volunteer hours to plan and produce the Show. Thanks also to the Women's Committee and the Museum staff for their efforts on behalf of the Show. We are grateful to our Preview Party patrons for your generous support of the Preview Party. Your loyalty ensures the success of the Show.

Finally, special recognition is extended to our show manager, Nancy O'Meara. Over the past 30+ years, she has helped develop the Show into an exceptional event. We are grateful for her notable expertise, remarkable talent, and diplomatic skills.

Enjoy the 2025 Philadelphia Museum of Art Contemporary Craft Show!

About the cover

John Eric Byers creates geometrically inspired pieces that are minimal, emotional, and modernly refined. Producing his uniquely original works for over three decades, each individually hand-made design is guided by purity in form, surface texture, and structure.

"Hat Box Chest of Drawers" is considered by many in the studio furniture world to be John Eric Byers signature form. Introduced in 1996, the fanciful design of this contemporary chest of drawers is based on traditional Shaker bandboxes and 1950s hatboxes that Byers saw at a second-hand furniture store. Having a timeless yet nostalgic quality, this totemic-shaped stack of seemingly askew hatboxes is in fact individual segmented encased drawers following the adage "form follows function." This curvaceous example of case furniture showcases the artist's skill at carving. Growing out of his fascination with surface design, Byers incised hundreds of squares into the surface of the form's carcass. Each square that makes up this intricate surface is then individually covered with five to six layers of milk paint, bringing time, skill, whimsy, and ingenuity all into play in functional work of art."

A tribute

Penny Fox

She moved through life, like the dancer that she was, with grace, purpose and generosity.

Loving wife of the late Robert A. Fox and devoted mother to 5 children, 10 grandchildren and 4 great grandchildren, Penny Fox passed peacefully on September 24, 2025.

A passionate advocate for women's colleges and women's education, Penny joined the Board of Trustees of Moore College of Art & Design in 1991 and continued her dedicated service until 2023. Penny's involvement with the Philadelphia Museum of Art began in 1982, when she joined the Park House Guides, leading tours of the historic 18th-century houses in Fairmount Park. As a longtime member of The Women's Committee she served in a variety of roles including Craft Show Chair in 2000. She joined the Museum's Board of Trustees in 2000. Penny served as a Trustee of the Philadelphia Ballet

from 2001 to 2016, supporting the Ballet with the same enthusiasm and dedication she brought to all her philanthropic endeavors.

She will be missed deeply and forever remembered. Her devotion to family and friends, joy for celebrating life and helping others will live on in all who knew her.

The 49th Annual Philadelphia Museum of Art Craft Show is produced by The Women's Committee and the Craft Show Committee of the Philadelphia Museum of Art.
